Did you know that less than 3% of foster youth go to college? These students face daunting challenges. Without families, they miss out on the emotional and financial support that their peers rely on. On top of their studies, many must work multiple jobs to afford school and often spend holidays alone.

Help us applaud these students' accomplishments and support their continued hard work defying the odds with care packages! Each student will receive a special package full of college essentials and goodies.

How can you help? We're collecting study snacks, school supplies, hygiene items, gift cards and monetary donations to fill the care packages. Every little bit helps, and together, we can show these amazing young adults that there are lots of people cheering them on!
