practices, often utilizing instruments - both original and in reproduction - appropriate to the time of the composition.

As in the last program, he will take a chronological approach to choosing different topics for listening and discussion, beginning in the Fall with the Middle Ages and Renaissance. Topics will include: musical forms; chant; historical musical instruments; specific genres of music; geographical considerations; and selected composers.

Also as in previous years, December will highlight the music of Christmas through the ages, and the New Year will begin with the Baroque Era and continue to the 20th Century. Please join us for another year of beautiful music among collegial participants. There will be new programs beginning in January so please check the calendar.

Please Register in Advance. This program is intended for adults.
