Music Appreciation with Rob HUMBERSTON

Wednesday, April 24, 1:00–2:30

[Read More/Register](#)

Rob Humberston returns for another year of musical listening and exploration by way of his personal collection of recordings built over five decades. One unique aspect of his collection is the inclusion of recordings based on historically informed performance practices, often utilizing instruments - both original and in reproduction - appropriate to the time of the composition.

As in the last program, he will take a chronological approach to choosing different topics for listening and discussion, beginning in the Fall with the Middle Ages and Renaissance. Topics will include: musical forms; chant; historical musical instruments; specific genres of music; geographical considerations; and selected composers.

Please Register in advance. This program is intended for adults.

Great Decisions 2024 – Understanding Indonesia

Thursday, April 25, 6:00–7:30

Great Decisions is America's largest discussion program on world affairs. The program model involves reading the Great Decisions Briefing Book and meeting in a discussion group to discuss the most critical global issues facing America today.

Prior registration is required to attend this program. You can register for the program by clicking the link [here](#)

This evening's topic will be Understanding Indonesia by Charles Sullivan

Despite its large size, Indonesia remains virtually invisible to most Americans. But as one of the world's largest democracies, the world's largest Muslim-majority nation, and as an economic driver of ASEAN, why does it fly below the radar? What are current issues in U.S.-Indonesian relations, and what role can the country play in Asia?

Each briefing booklet costs \$28. Checks made payable to Richard Salter Storrs Library. Cash is also accepted.

Great Decisions will be held in the Betty Ann Low room, 6-7:30, on the following days:

April 11th: Understanding Indonesia

May 1st: High Seas Treaty

May 15th: Pandemic Preparedness
